

Name: _____

News Article Breakdown

Strand: _____

Directions: Find News article related to strand. Avoid articles simply about the tech or new produces. Look for articles about social/ethical concerns related to the IT systems in the strand. You will summarize the content and then break down the article using the ITGS triangle. You will then create questions related to the topic in a "Paper 1" style:

- Q1,2 - Assessment objective 1: Knowledge and understanding
- Q3 - Assessment objective 2: Application and analysis
- Q4 - Assessment objective 3: Synthesis and evaluation

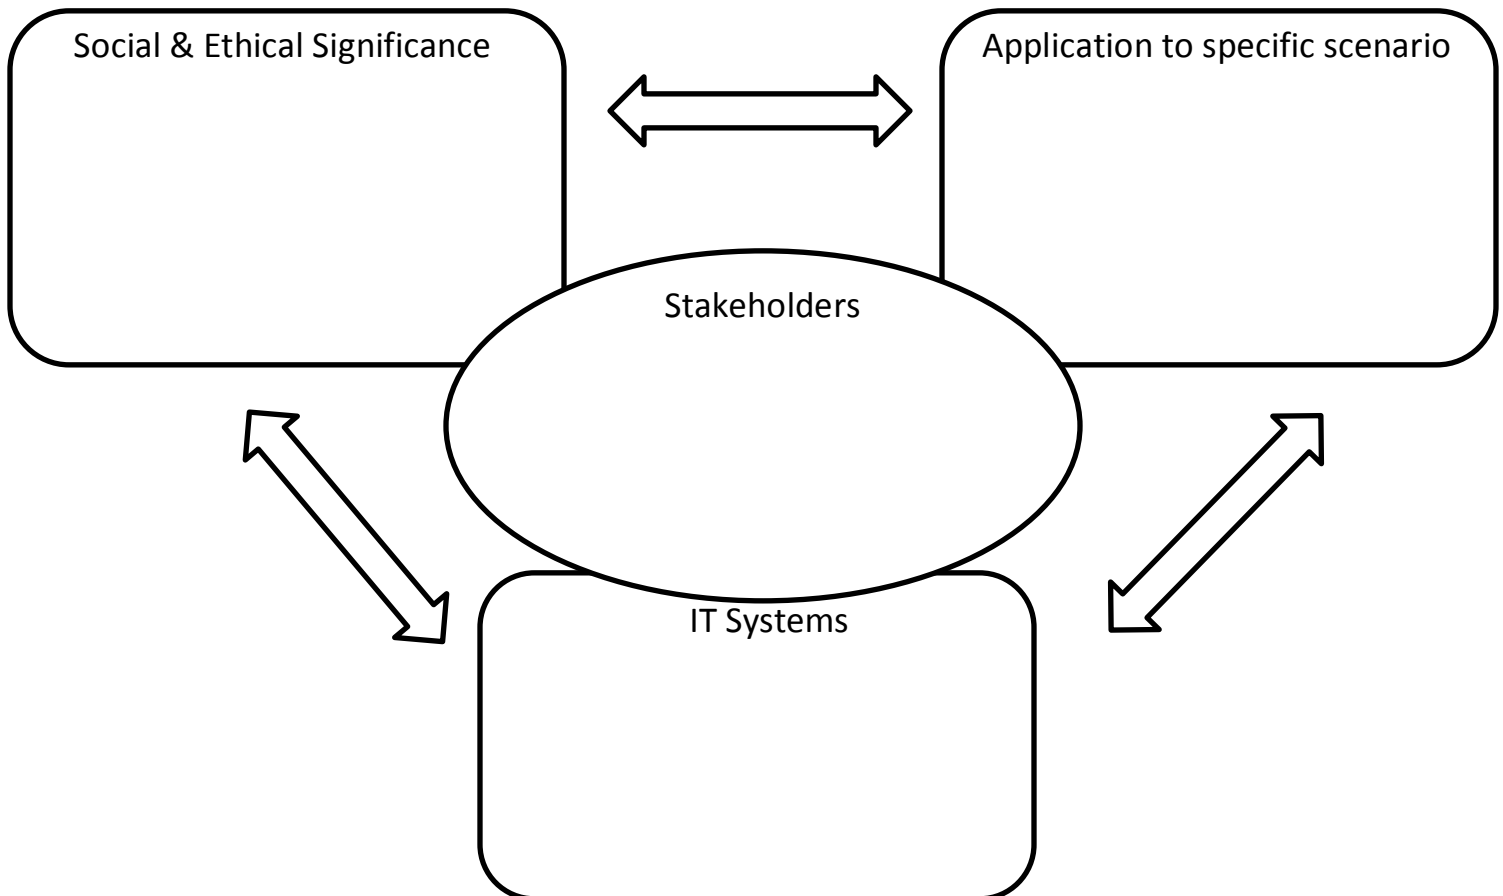

Be sure to use the correct command terms and ask about the relevant social/ethical concerns and integration of IT

Title: _____
